Housing Justice Trivia

The first person to answer each question correctly is the winner!

-
- There are 3 questions
- All questions are either True or False
- Only chat box answers will be accepted
- One win per person
- Winner determined by order of answers in the chat box

Answer questions and make accommodations.

1) True or False?

Fair Housing Center of Greater Madison reports that sexual harassment claims by tenants against landlords have gone up significantly during the pandemic.

2) True or False?

We are having an eviction crisis even with a federal eviction moratorium during the pandemic, according to **Legal Action of Wisconsin.**

3) True or False?

Housing Initiatives reported that in early February in Madison, nearly 700 people were on a Priority Housing List looking for housing.

Of those, 300 were "chronically homeless," meaning they had been homeless for a year or longer.

Thank you!
