

## Play CSW Trivia During Your Workplace Giving Campaign!

New this year—Community Shares of Wisconsin presents 6 different online trivia games, based on our member nonprofit cause categories, to incorporate into your campaign kickoff or celebration.

These trivia games are informative and engaging and increase awareness about the causes represented by CSW, while creating opportunities for engaging with your team.

- Can be played in person or virtually!
- Each game has 5 questions--game play should last no more than 10 minutes.
- The games are developed to be hosted by a staff person who projects the links onto a large, shared screen (as in a conference room) or a shared screen during a virtual meeting.
- Players can use their smart phones to scan the QR code shown on the screen or enter the "Game Pin" at [www.Kahoot.it](http://www.Kahoot.it)
- Players answer questions on their phones or other personal devices.
- The game host will be required to log into or create a free account.
- Players are not required to create an account nor download any apps.
- No cost to the workplaces or the employees!
- Directions for hosts on the next page.

Games are created using **Kahoot!**
